THE BENEFITS

Shelter

Enjoy full protection from sun and rain showers as well as additional privacy.

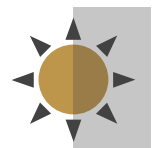

Sun Safe

99% UV block to protect you and your furnishings from harsh glare.

Natural Cooling

Heat block keeps your outdoor space cool so you can enjoy a comfortable temperature.

Anti Glare

Diffused bright light, eliminating glare for your ultimate comfort.

AWNINGS

Enhance your outdoor living space with a high quality, retractable awning, available in a range of styles, fabrics, colours and sizes, to suit all tastes and budgets.

Our high quality awnings are designed around your property and your needs.

We have an extensive range of styles to compliment your existing décor. Our innovative enhanced features can include heating and ambient lighting, all to help you make the most out of your garden space, whatever the weather.

BLINDS

Enhance your conservatory, glass room or orangery with luxury electric blinds. Our high quality blinds are mounted to the glazed area of your home or work space to regulate heat, glare and UV.

Designed to fit your home perfectly and with a wide range of fabrics and colours. Our expert installation teams can fit to a range of glazing spaces from folding and sliding doors to rooflights, skylights and conservatories, in fact anywhere there is glass!

PERGOLAS

Enjoy your garden all year round with a stylish pergola. Built to the very highest standard, in a range of styles and finishes to suit your property and garden.

Customise your pergola with our range of enhanced features - LED lighting, vertical blinds, outdoor heaters and sliding glass panels. Perfect for relaxing or entertaining guests.
